April movie at the GAC – *the bothersome man*

Gunnison – Movies are back and they are... NOT on Tuesday nights. Everyone knew it before as ‘Tuesday Night Movie Night’ but hey, why not make it on a Thursday? It’s a little closer to the weekend, not in the middle of your workweek, and yet it’s not a Friday or Saturday because it’s... Thursday Night Movie Night. Once a month the GAC will bring you the best of the best in the Independent Movement series, in conjunction with the Gunnison County Public Library whose generous support makes this series possible at the arts center.

On April 17th at 7:30pm *the bothersome man* will show at the arts center. A film by Jen Lien, it won awards at the Toronto International Film Festival, Cannes Film Festival, and Athens Film Festival. It was also a winner in the Amanda Awards (Norway’s Oscars) with Best Director, Best Actor, and Best Screenplay.

Andreas arrives in a strange city with no memory of how he got there. He is presented with a job and an apartment, but before long, Andreas notices that something is wrong. The people around him seem cut off from any real emotion and communicate only in superficialities. He makes an attempt to escape from the city, but he discovers there is no way out. Andreas meets a man who has found a crack in a wall in his cellar. Beautiful music streams out from the crack, but from where?

So check it out and check out other Indie films coming up that will screen once-a-month on a Thursday night. Tickets are \$6 (general) and \$4 (students and GAC members) while popcorn, soda/water and wine/beer are also available for purchase.
