TO MEMBERS OF OUR COMMUNITY:

Do you like to have fun while meeting new people in the community? Do you want to contribute to the growth and enjoyment of the ARTS in our community? Are you interested in becoming more active in your local Arts community? Do you have time to commit to the promotion of local arts and to the function of the Gunnison Arts Center? The Board of Directors of the Gunnison Arts Center is looking for volunteers to serve on the Board or to provide other support for GAC functions.

The MISSION STATEMENT of the Gunnison Arts Center:

The Gunnison Arts Center, a nonprofit arts organization, cultivates and promotes the arts in the community by unleashing creativity, connecting people, and enriching cultural horizons.

INFORMATION:

The GAC Board is a WORKING BOARD. We meet once each month for 2.5 hours. They serve on various committees, and actively participate in GAC events, including our summer concert series "Sundays @ 6", the yearly GALA event and other fundraising events, and attend as many GAC functions as possible. Board members also pledge a financial commitment that is personally comfortable and support the Mission Statement.

If you would like to be considered as a potential Board Member or if you would like to submit your name as an active volunteer in a different capacity, please complete the following survey and return it to the GAC. A Board member will contact you for further discussion.

Thank you for your time and interest! We look forward to welcoming new participants and to renew the activity level of previous participants.

Please answer the questions in as much detail as you care to give (use the back for more space):

What is the thing that attracts you to the Arts, and motivates you to want to support the GAC with your time and energy? How has the GAC affected/inspired/entertained you?

What do you feel is the biggest contribution that the Arts and the GAC can contribute to our community?

GAC can use lots of different kinds of talent in support of its mission. Describe the strengths and skills you would bring to the organization (Are you an organizer? A doer? A hands-on worker? People skills/fund raiser? Numbers person? Business sense? Etc.)

Tell us about your volunteer experiences. Do you serve on other Boards? Do you give your time to other community organizations? If you serve on other Boards, would that prohibit a new time commitment?

Do you have expertise in any area of the ARTS (literature, theater, ceramics, plastic arts, poetry, music, etc) that you might bring to discussions about the GAC?

Give us an idea about your interest level in GAC:

- I would like to be considered as a potential new Board member.
- I would like to be considered as a non-board committee member.
- I would like to be considered as an Advisory Council member.
- Would you like to be considered as a volunteer for normal GAC operation or events?
(gallery or shop presence, bartending/ticketing, physical labor, phone calls, paper work, etc)

Are there any questions you would like to ask about the GAC and/or the Board of Directors?

List any other comments/questions here:

**We look forward to receiving your survey and the possibility of meeting you
and discussing a comfortable role for you with the GAC!**

Completed surveys can be submitted to Carlie Kenton, Gunnison Arts Center's Director of Operations.
